AFFILIATE LEVEL 3
REFEREES' QUESTION PAPER**

- 1. The ruling when a player (not the dummy half) is in possession and effects a touch on an offside player, who is making every effort to retire and remain out of play, is:**
 - A. A penalty for offside
 - B. The touch counts and play continues
 - C. Change of possession, dummy half caught in possession

- 2. The player once touched, or told to roll the ball by the referee, has how long to roll the ball?**
 - A. 10 seconds
 - B. Until the dummy half arrives
 - C. Immediately

- 3. What is the preferred method of deciding a drawn game when a winner is required (in finals and tournaments)?**
 - A. For and against
 - B. Toss a coin
 - C. Sudden death

- 4. What is the maximum number of male players permitted on the field at any given time in a mixed game (7 a side)?**
 - A. 4
 - B. 5
 - C. 3

- 5. When deciding the winner of a drawn game, in mixed competition (finals or tournaments), using the preferred method, the first player to leave the field is:**
- A. A male
 - B. A female
 - C. None of the above, sudden death (3 on 3)
- 6. A penalty try can be awarded if the referee believes that a try:**
- A. Would definitely have been scored
 - B. Probably would not have scored
 - C. Maybe would have scored
- 7. When a defending player takes an intercept over his own try line:**
- A. Play on – until the defender (now the attacker) is touched
 - B. Play becomes dead and restarts with a 5metre rollball to the defending team
 - C. Play becomes dead and restarts with a 5 metre tap to the defending team
- 8. If a player claims a touch when a touch hasn't been made, then the referee can:**
- A. Call "play on" until any advantage is gained or lost
 - B. Penalise the player for a claimed touch
 - C. Both of the above
- 9. The referee can only penalize a player for a "no touch" he/she:**
- A. sees that no contact has been made by any player
 - B. when a defender calls "no touch"
 - C. Both of the above
